

## Sermon Reflection and Discussion for March 29th, 2020...

1. Read 2 Timothy 2:9 . How does this verse fit with the sermon from Philippians 1:12-18? How does this verse encourage you about the power of God's Word?
2. What circumstances do you find yourself in right now that God might want to use for the advance of the gospel? Pray and ask the Lord for wisdom on how to advance the gospel through your present situation and circumstance.
3. Is adversity a sign that something is not God's will? Do we really expect that doing God's will means that everything will go smoothly?
4. Do you agree that God often does His best work in and through us during times of difficulty, hardship, and adversity?
